DEAR DIRECTORY USER:

The Human Rights Commission presents for your use the 1988 edition of the Directory of Minority/Women Business Enterprises. This Directory has been compiled for the benefit of City departments to utilize minority and women businesses for contracting purposes.

The firms listed in this Directory have been certified by the Human Rights Commission, pursuant to Chapter 12D of the City's Administrative Code. The Directory is produced as an information resource and should not be construed as an independent endorsement or recommendation of the firms listed. It is the responsibility of the prospective user to verify the information in the Directory, to ensure the current bona fide status of the firm. The HRC can only assure the accuracy of the firm's information at the time of its obtainment. It is the firm's responsibility to notify the HRC of any subsequent changes or any information that may affect the status of the firm's certification status.

Despite the HRC's best efforts, we could not compile an exhaustive and definitive listing of minority and women firms. Because of these limitations, it is especially important that prospective users (City departments) become active in the outreach recruitment of additional businesses. However, the MBE/WBE program goals will have to be met with or without the assistance of this Directory. This Directory is only one resource.

A business who believes it meets the HRC requirements is enccuraged to apply for certification. City departments are especially urged to refer firms to the HRC that they have used or using or may use for certification.

The publication of this Directory was a cooperative effort of the staff of the Human Rights Commission. Special acknowledgement is made to Ms. Pauline Anderson, Mr. Gary Wong, Ms. Linda Chin, Mr. James Fields and Ms. Mary Gin Starkweather for their special contributions.

The Human Rights Commission welcomes your comments and suggestions in correcting, updating and improving this publication. Thank you for your continued interest and support of the Minority/Women/Local Business Enterprise Program.

Sincerely,

Frank Anderson

How To Use The Directory

HOW TO USE THE DIRECTORY

WHO SHOULD USE THE DIRECTORY

This Directory was compiled and designed to assist CITY AND COUNTY OF SAN FRANCISCO departmental personnel, i.e. BUYERS, CONTRACT ADMINISTRATORS, MATERIEL MANAGERS, STOREKEEPERS, OFFICE MANAGERS, and all others who are in buying decision-making positions, to conveniently locate information on minority and women-owned companies to supply your product or service. All companies listed in the Directory have been certified by the staff of the Human Rights Commission, and are eligible for bid preferences.

HOW TO LOCATE A COMPANY

The Directory has three (3) indexes organized in different ways to help you locate the type of company you need.

CLASSIFICATION & CODES

Listing of ethnic and geographic designations by code. Numerical preference percentage assigned to each claissification.

COMPANY INDEX

Alphabetical listing of firms by the company name. Commodity Codes assigned to each company correspond to the section number where the company listing will be found.

COMMODITY INDEX

1. Alphabetical listing of Commodities used to categorize the type of product or service which the company sells. An example follows:

	CODE	SECTION #
Accountants	111	111
Acoustical Ceiling	256	256

This example tells you that "Accountants" are given Commodity Code 111, and may be found in the Directory in Section 111. "Accoustical Ceiling" contractors are assigned Commodity Code 256 and may be found in Section 256. etc.

2. Numerical listing of Commodity Codes. To be used when the only information that you have on a company is the assigned Commodity Code.

DIRECTORY FORMAT

The Directory has been designed and divided by SECTIONS. SECTION NUMBERS appear at the bottom of each page. Each SECTION has the same number as the COMMODITY CODE which appears in the section. Example:

SECTION 10 lists Commodity Code 10 companies

SECTION 65 lists Commodity Code 65 companies

SECTION 89 lists Commodity Code 89 companies etc.

Information on each company in the Directory is listed in the following format:

COMPANY NAME (SIZE)
STREET ADDRESS (DATE ESTABLISHED)
CITY, STATE ZIP CODE (MBE/WBE CLASS)
CONTACT NAME (TELEPHONE NUMBER)
COMMODITY DESCRIPTION
NEW CERTIFICATION NUMBER

Abbreviations for (SIZE) are: "S" - Small Business, "L" - Large Business
A table which explains the MBE/WBE CLASS CODES is located in the Index Section.

DIRECTORY ERRORS AND CHANGES

If you find an error or change in the Directory, please notify Human Rights Commission's Certification Unit by calling (415) 558-4901, thank you.
